TopGolf Ontario March 2022 Grand Opening

San Bernardino County, CA. - San Bernardino County Fifth District Supervisor Joe Baca, Jr. is ecstatic to see that TopGolf has opened in San Bernardino County. TopGolf had its grand opening on March 11th, 2022, in the city of Ontario. TopGolf is an outstanding entertainment asset for all ages and its existence will assist in keeping our county's Regional Park's system stronger due to the revenue it shall receive here in San Bernardino County.

"I am happy to see that an international entertainment group, such as TopGolf has opened its first Southern California location right here in San Bernardino County. This location will create hundreds of sector jobs and the annual revenue to our County Regional Parks will be approximately \$625,000. This location is an opportunity for families and businesses in our county and across our region recreationally. So many jobs in our county have been created due to the opening of TopGolf and it will attract people from all over the state to come and visit. I am looking forward to seeing families golf here and hope everyone has a great time." -Supervisor Joe Baca, Jr.
