Supervisor Joe Baca, Jr. Invites the Community to Partake in this Year's Community Clean Up in Honor of Earth Day 2022

Bloomington, CA. - San Bernardino County Fifth District Supervisor Joe Baca Jr. is inviting the community to take action and be a part of this year's community clean up that will be occurring on April 23rd in Bloomington and Muscoy from 8 a.m. to 12 p.m. This event is in honor of National Earth Day that was created to demonstrate support for environmental protection. The event is open to all those who would like to volunteer. Those who are interested in volunteering are more than welcome to choose between Bloomington and/or Muscoy.

"Earth Day is a great way to get out and help nurture the Earth the same way it has for us. This is our home, and it is our turn to go out and make our community a cleaner and better place to live. The actions we take today affect the world we live in tomorrow. Let's all do our part, together. On April 23rd I hope our actions to clean up Bloomington and Muscoy will improve the conditions that our community deals with daily, and hope that we can beautify as much as we possibly can. Let's come together to make our community a happier and healthier place to live." -Supervisor Joe Baca, Jr.
