Fishing with Supervisor Joe Baca, Jr. Took Place Over the Weekend at Glen Helen Regional Park

San Bernardino, CA.- On Saturday, May 14th, 2022, over 150 youth from San Bernardino County joined Supervisor Joe Baca, Jr. for a day of fishing and fun at Glen Helen Regional Park's Lake. The lake was filled with trout the day before the youth came to fish. Children from ages eight to sixteen were in attendance and they spent the day learning how to fish by professionals. The day was made possible by the support of San Bernardino County Probation, Bass Pro Shops, California Fish and Wildlife, San Bernardino County Libraries, San Bernardino County Fire, San Bernardino County Museum, San Bernardino County Agriculture, San Bernardino County Airports, Preschool Services, First 5, Children's Network, Friends of Regional Parks.

"Fishing with these youth was something that I will always hold dear to me. These kids got to have a fun day outdoors, and we got to highlight the exciting recreational opportunities that Glen Helen has to offer, all while providing mentorship opportunities. This day would not have been made possible without the support and mentorship of all our sponsors, partnering agencies, and volunteers. Fun days like this are made to teach the youth in our community that they can always grow and learn that there is a lot more to life. Their opportunities are endless, and we use these events to remind our youth that they have great potential that should not go unrecognized."

-Supervisor Joe Baca, Jr.
