SUPERVISOR JOE BACA, JR. PARTICIPATES IN SECOND ANNUAL EXPUNGEMENT AND RESOURCE EVENT

Building on the success of a similar event last year, San Bernardino will once again be the site of a record expungement and community resource fair on July 30th. The event will be held from 10:00am-2:00pm at 1650 South E Street, Suite E during which The Pact will celebrate the grand opening of their newest location in San Bernardino County. The event will include many services, food vendors, a massive giveaway, as well as record expungements at no cost provided by the San Bernardino County Public Defender's office. The Way World Outreach, The Pact Community Employment Center, and CityWay are the lead agencies for the event, and they are being supported by the San Bernardino County Workforce Development Board, and 5th District Supervisor Joe Baca, Jr. Based on the achievement of serving a multitude of residents last year, all parties involved are expecting another resounding triumph for this year's event.

"This event brings county agencies, non-profit organizations, retailers, faith-based organizations and community members together in one location. Through a collaborative effort, which allows our constituents to access the aid and resources they need, they can clear their records so that they may attain full employment status to build upon their futures."
