Supervisor Joe Baca, Jr. Welcoming Muscoy Elementary School Students Back to School with Backpack Giveaway

Muscoy, CA.- On August 1st, 2022, San Bernardino Fifth District Supervisor, Joe Baca, Jr. is welcoming Muscoy Elementary School students back to school with a Backpack Giveaway for all kindergarteners to sixth graders. The giveaway will not only include backpacks, but school supplies, hygiene kits, t-shirts, socks, resources and more.

“As a former teacher I know how it is with our kids returning to school. Therefore, it’s only necessary to get them back in the groove by helping them gear up with all the needed tools and resources to assist them in achieving their educational goals. This school is home to a lot of underserved students in our community and it is our duty to make sure they are all prepared and welcomed to properly begin their school year. This day would not be possible without the assistance of our Medline, California Highway Patrol, our San Bernardino County Fire and Sherriff Department, Code Enforcement, Department of Public Health and Behavioral Health, Medline, and SB County Children’s Fund for supplying these children with items that are necessary to assist them with their educational journey through the new school year. We look forward to seeing these students bright and early on August 1st.” - Supervisor Joe Baca, Jr.
