Supervisor Joe Baca, Jr. Welcomed Muscoy Elementary School Students Back to School with a Backpack Giveaway

Muscoy, CA.- On the morning of August 1st, Muscoy Elementary School Students were welcomed back to their first day of school with a backpack giveaway from Supervisor Joe Baca, Jr. and other community partners. The backpacks were full of school supplies, hygiene kits, t-shirts, socks, books, and more for all the students. San Bernardino County Fire and Sheriff, and California Highway Patrol brought their cars and K-9 Units out to have the children interact with them.

“Seeing the smiles on these children’s faces yesterday as they were receiving some of these everyday life essentials was truly priceless. Assisting these underserved children in our community is the least we can do to encourage them to come to school every day prepared and ready to learn. This day would not be possible without the assistance of Medline, California Highway Patrol, San Bernardino County Fire, Sherriff, and Probation Department, Code Enforcement, Department of Public Health and Behavioral Health, and San Bernadino County Children’s Fund for supplying these children with items that are necessary to assist them with their educational journey through the new school year.” -Supervisor Joe Baca, Jr.
